

Registration Policy

Any remaining fees are due by the first day of school. Children will not be able to attend until all fees are paid.

Please note that if you choose to make changes to your original schedule chosen at the time of registration, North Cross will try to accommodate those changes. However, if the desired changes are not available and you choose to leave North Cross, the registration fee will not be returned.

Registration fees are *non-refundable* and not applied to other children or programs.

I understand and agree to follow the above policies.
